Aetna Medicare Rx offered by SilverScript is a group standalone Medicare Prescription Drug Plan (PDP). This Plan is offered by SilverScript Insurance Company, which has a Medicare contract. SilverScript Insurance Company and Aetna are affiliated companies. Aetna and CVS Caremark® are part of the CVS Health® family of companies. Enrollment in our plan depends on Medicare contract renewal. Other pharmacies are available in our network. The pharmacy network may change at any time. You will receive notice when necessary. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. For mail order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 10 days. You can call the number on the back of your member ID card if you do not receive your mail-order drugs within this time frame. Participating health care providers are independent contractors and are neither agents nor employees of SilverScript. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
